Dear Sisters and Brothers:

This is to announce the 2022 Scholarship Program competition sponsored by the International Brotherhood of Boilermakers. In 2022, the Boilermakers will award a total of \$100,000 in scholarships with \$74,000 to be designated to United States students and \$26,000 to be designated to Canadian students.

The International Brotherhood of Boilermakers will award one applicant from the United States with the *Charles A. Jones Scholarship Award* and one Canadian applicant will be awarded the *Edward Power Scholarship Award*.

To be eligible, the applicant must be a son, daughter, legally adopted child or dependent of a member in good standing. Applications are limited to high school seniors who will be entering their first year of academic study at a degree-granting, accredited college or university within one year of their high school graduation.

Applications may be submitted online between January 1 and March 1, 2022. Applications will not be accepted after the March 1, 2022, deadline.

Scholarship candidates should visit the secure Boilermaker Scholarship website at [scholarships.boilermakers.org](http://scholarships.boilermakers.org) to submit their application and supporting documents. Scholarship candidates must submit the following:

2. proof of relationship or dependency to a Boilermaker member;

4. a 350 word (minimum) to 500 word (maximum) typed essay on this year's topic:

*"Renewables alone won't help the world meet global emission reduction standards on the timetable needed. Explain why and how a mixture of 'all of the above' energy sources, including carbon capture, use and storage, can set the world on a path to a clean energy future."*

Applicants must submit proof of relationship or dependency to the Boilermaker member in the form of a copy of their birth certificate, proof of legal adoption, tax return, or current health insurance coverage, via mail (postmarked by March 1, 2022) to:
